Astor Piazzolla (1921-1992)

For over 25 years, The Astor Piazzolla Quintet has preserved and bestowed the legacy of the revolutionary bandoneon player and composer Astor Piazzolla. Throughout their extensive career, the Quintet has toured internationally across the United States, Latin America, Europe, Australia, and Asia, earning unanimous praise from critics and numerous prestigious awards. Among their most notable achievements are two Latin Grammy Awards for Best Tango Album (2019 and 2023), further cementing their status and prestige worldwide. The Quintet keeps alive Piazzolla's vast body of work, who transformed the tango into a unique art form. Their music takes listeners to a journey that connects the past with the present, preserving the essence of one of the greatest musical geniuses of the 20th century.

"Music is the most direct form of art; it enters through the ears and goes straight to the heart."
Astor Piazzolla

"The music of Piazzolla contains and expresses an infinite passion, it's full of desire, and at the same time it's contemporary... (Piazzolla) took tango to another level."
Yo-Yo Ma
